The Secretary .
Sandeshkhali Maa Saroda Women & Rural Welfare Society.
Bermajur, Sandeshkhali, North 24 Parganas.

Sub-Request for install deep bore tube wells.

We have a few numbers of government tube wells in our Panchayet area but this are not sufficient with respect to the public demands so We are struggling with this problems. The problems of safe drinking water is increasing day by day and the situation is going out of hand. In this regards We need to install some deep bore tube wells as soon as possible but We have no fund to do this work.

So We earnestly request you to help us by installing deep bore tube wells .We agree to provide land for the benefit of general public and We will maintain it regularly with the direction of you.

We are waiting for your kind feedback.
